About This Content

The ancient Asian empires are lands of adventure, mystery, and peaceful reflection. Set the stage for your players to visit hidden temples, idyllic villages, tense battlefields and more with these eight tracks of evocative background music!

When your players travel the ancient Asian empires, set the mood for enlightenment and action with these eight evocative tracks of background music! Whether meditating at a long lost temple before setting out on the path of lost souls or fighting fiercely against skilled swordsmen, you'll find the right music here to draw your players into the experience.

This pack contains:

- 8 BGM tracks suitable for battle, dungeons, and towns!
- .ogg, m4a and .mp3 formats included.
- Royalty free music to use in your commercial and non-commercial game projects.
- **BONUS:** 2 feudal battlers created by Michael Rookard

Tracklist:

Battle - Dragon Dance
Battle - Swords Drawn
